

## SUMMARY

Entry-Level Data Analyst with 1+years of experience analyzing big data and visualizing data. Looking to apply my experience with BITool, System Design, and Python Programming.

## WORK EXPERIENCE

### Lab Assistant

*Quest Diagnostics*

Oct 2024 – Jan 2025

*Lenexa, KS*

- Oversaw quality assurance processes for dried blood sample analysis.
- Coordinated and managed the registration of incoming biological samples.

### Lab Analyst-Data Analyst

*SGS (Société Générale de Surveillance)*

May 2022 – May 2023

*Callao, Peru*

- Implemented new Power BI models to summarize work hours, automate additional KPIs, statistically analyze results, and control documents.
- Developed a Deep Process Model that created a statistical and visual analysis of imported results. My program increased client satisfaction and resulted in high contract renewal.
- Programmed a model to compile and summarize worker training from over 40 Excel spreadsheets, resulting in easier KAI Training
- Successfully passed ISO 17025 audit assessment and Inter-Lab (Test Performance between different labs) evaluation at ground CN testing.

### Lab Analyst

*SGS, (Société Générale de Surveillance)*

Aug 2019 – May 2022

*Callao, Peru*

- Devised algorithms in Excel to optimize procedures by converting manual workflow into a digital format.
- Collaborated with a team to develop algorithms and programs to automate data analysis.
- Conducted Granulometry Analysis using Macros. Programed relevant criteria to easily analyze and visualize data, which increased productivity over 200%.
- Introduced Power BI Desktop for KPIs in SGS to efficiently consolidate data.

## SKILLS

- HSEQ
- ISO 17025
- Python
- SQL
- Javascript
- PowerBI
- Microsoft Office 365
- Tableau
- Deep Process Modeling
- Problem Solving
- Bilingual Spanish/ English

## CERTIFICATIONS

- Data Intelligence and Data Analysis
- Microsoft Specialist Business Excel- Excel, Power Query, Power BI
- Lead Implementer of Integrated HSEQ ISO Management Systems ISO 9001, ISO 14001, ISO 45001

## AWARDS AND RECOGNITION

- 2022 SGS STAR Recipient - Innovation Award

## EDUCATION

### Bachelor of Science : Chemical Engineering

*National University of Engineering (UNI), Lima, Peru*

Dec 2018
